LETTER TO COMMISSION

TO: Honorable Mayor Dan Gelber and Members of the City Commission
FROM: Alina T. Hudak, City Manager 
DATE: July 26, 2022

SUBJECT: Drug Prevention and Intervention Sessions for Parents/Guardians of Teens

The purpose of this Letter to Commission is to update the Mayor and City Commission on the status of the City of Miami Beach funded drug prevention and intervention informational sessions for parents/guardians of Miami Beach teens.

A drug prevention and intervention series was created in 2018 and made available to parents/guardians in-person and virtually. In school workshops for youth at Miami Beach Senior High School and Miami Beach Nautilus Middle School for approximately 1,000 students were also provided. These drug prevention and intervention sessions were recorded and may be found on the City's website within the Organizational Development webpage by clicking on resident resources or at <https://youtube.com/playlist?list=PL8QRwonPTggNGwLDQDMZkxc090FB4idnO>.
