

Accessing the GradTrack Report

- GradTrack is a new report that is available for students on their student portal. This new report provides an individualized graduation progress summary report reflecting each student's high school course and grade history as well as their status in meeting other graduation requirements.
- GradTrack includes: detailed list of courses you have taken, final grades for completed courses, your GPA (weighted & unweighted), community service hours on record, your total number of credits earned, and other information regarding your progress on meeting graduation requirements.
